Biography

“I believe that anyone can quilt. Anyone. Seeing my students’ eyes light up absolutely makes my day; that’s when I know they’re going to take what I’ve taught them and make it their own.” When she began quilting, Flaun Cline had no idea where it would take her. “I thought this was just a hobby, but it became my passion.” She moved from Minnesota to Chattanooga to become co-owner of SPOOL, a 2016 Better Homes and Gardens Quilt Sampler Top Shop. There she refined her teaching style. With a gentle guiding hand and positive outlook, her classes empower quilters of all levels to create their dreams on nothing more than a domestic sewing machine.
